

The Students decorated Hampers and filled them with generous gifts to go to the elderly residents at **Friary Court**. These were then displayed in the Chapel near each of their House Stained glass windows

The House winners were chosen and the amazing Chaplaincy Ambassadors moved all the boxes from the Chapel to the mini bus where they were loaded on by the Site team and a 6th Form helper!

The Staff and residents were delighted to receive our gifts. We received this kind message from the **Longhurst Group at Friary Court.**

Good morning

I am sending you, your colleagues and students a huge hug and thank you for the wonderful gifts that were distributed to our service users.

There was much love in the air, tears of happiness and gratitude to each and everyone of you that contributed.

Please also thank families and friends. This was a wonderful gift and idea our service users are truly grateful from the bottom of our hearts.

Kind regards Sarah xxx
