# Careers Education, Information, Advice and Guidance Policy

*"I have come that they may have life and have it to the full"*

*John Chapter 10*

## Vision

At St John Fisher Catholic High School, we seek to maximise the life chances of all of our students. We aim to ensure that our students are prepared for the responsibilities and opportunities that they will encounter when entering post 16 and 18 pathways and further into the world of work and adult life. The schools' mission statement "I have come that they may have life and have it to the full" (John 10:10) is at the centre of what we do and students are encouraged to apply this to all aspects of school life.

A robust CEIAG programme helps to avoid disengagement, puts learning into a wider and more relevant context, helps to raise aspirations and in turn achievement. All students have an entitlement to CEIAG and we encourage students to aspire and value lifelong learning, provide opportunities to develop key employability and enterprise skills, all of which are highly valued by employers, colleges, universities and apprenticeship providers

Our CEIAG programme has been developed in accordance with the recommended Gatsby Benchmarks (Appendix 1). Through the Gatsby Benchmarks we seek to engage parents, local employers, further and higher education providers, both in school and externally to support our students in becoming employable and aspirational young people. To support our students we invest in a Level 6 Impartial Careers Advisor, Theresa Adabale, who sees the students each year throughout years 9-12 in addition we have a dedicated member of staff who is level 4 qualified within school who is available to students. We also ensure that CEIAG is on the PSHE curriculum for every year group.

The governing body have therefore adopted this policy in order to provide a clear commitment to and framework for Careers Education, Information, Advice and Guidance

## Policy Scope

This policy covers Careers Education, Information, Advice and Guidance given to students in Key Stages Three, Four and Five.

The policy also applies to Year 11 students after they finish their examinations in June of their final year and before they start at their next place of education, employment or training. Though not necessarily in school regularly and attending lessons in July and August of Year 11, the policy is still applicable.

The policy has been reviewed in line with the recently published DfE guidance document 'Careers guidance and access for education and training providers – Statutory guidance for governing bodies, school leaders and school staff. (DfE, January 2018)

This policy accepts the 8 Gatsby Charitable Foundation's benchmarks as set out in the DfE guidance. They can be seen in Appendix 1 of this policy

This policy covers the legal duty of schools to ensure that a range of education and training providers can access pupils in Year 7 to Year 11 for the purpose of informing them about approved technical education qualifications or apprenticeships.

All members of staff at St John Fisher Catholic High School are expected to be aware of this policy and the importance of Careers Education, Information, Advice and Guidance (CEIAG) in the education of students; CEIAG is not the sole responsibility of the Careers Advisor.

## **Objectives**

The objectives of the Careers Education, Information, Advice and Guidance policy are as follows:

1. To ensure that all students at the school receive a stable careers programme
2. To enable all students to learn from information provided by the career and labour market
3. The CEIAG programme should be individual and address the needs of each student
4. To link the curriculum learning to careers learning
5. To provide students with a series of encounters with employers and employees
6. To provide students with experiences of workplace(s)
7. To ensure that students have a series of encounters with further and higher education
8. To provide each student with the opportunity to receive personal guidance

## **School Responsibilities**

The school has a series of statutory duties:

1. All registered pupils at the school must receive independent careers advice in Years 7 to 13
2. This careers advice must be represented in an impartial manner, showing no bias towards a particular institution, education or work option
3. This advice must cover a range of education or training options
4. This guidance must be in the best interests of the pupil
5. There must be an opportunity for education and training providers to access pupils in Year 7 – Year 13 in order to inform them about approved technical qualifications or apprenticeships. Cf. Section 6 of this policy
6. The school must have a clear policy setting out the manner in which providers will be given access to pupils. See Provider Access and Appendix 3. This policy and these arrangements must be published
7. The school will base its careers provision around the Gatsby Benchmarks. A summary of these can be seen in Appendix 1, and they cross reference with the objectives of this policy
8. St John Fisher Catholic High School believes that good CEIAG connects learning to the future. It motivates young people by giving them a clearer idea of the routes to jobs and careers that they will find engaging and rewarding. Good CEIAG widens pupils' horizons, challenges stereotypes and raises aspirations. It provides pupils with the knowledge and skills necessary to make successful transitions to the next stage of their life. This supports social mobility by improving opportunities for all young people, especially those from disadvantaged backgrounds and those with special educational needs and disabilities.
9. The school will continuously monitor its CEIAG offer and seek further improvement. This will be done by the personnel involved in the design and delivery of the programme as well as by external stakeholders who assess the work of the school.

## **Governor Responsibilities**

The governing body will ensure that the School has a clear policy on Careers Education, Information and Guidance (CEIAG) and that this is clearly communicated to all stakeholders. They should ensure that this policy is:

1. Based on the eight Gatsby Benchmarks
2. Meeting the school's legal requirements

The governing body will ensure that arrangements are in place to allow a range of educational and training providers to access pupils in Years 7 – 13.

There will be a member of the governing body who takes a strategic interest in CEIAG and encourages employer engagement

## **Provider Access**

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

## **Pupil Entitlement**

All pupils in years 7 – 13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies, group discussions and taster events
- To understand how to make applications for the full range of academic and technical courses.

## **Management of Provider Access Requests**

A provider wishing to request access should contact:

Donna Maudsley, Careers Lead  
[donna.maudsley@stjohnfishersschool.org.uk](mailto:donna.maudsley@stjohnfishersschool.org.uk)

## **Opportunities for Access**

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and / or their parents / carers Please contact our Careers Lead for any further information on this.

## **Premises and Facilities**

The school will make suitable rooms available for events involving contact between a provider and students. The school will also make any standard AV equipment available. Requirements should be discussed in advance with the Careers Lead.

Providers can leave a copy of their prospectus in the Study Centre, where the Careers Hub is located. This is available to all students at break and lunch times.

## **Monitoring, Evaluation and Review**

The Headteacher will ensure that:

1. the work of the Careers Lead, Careers Advisor and CEIAG events are supported and monitored
2. a member of the Senior Leadership Team has an overview of CEIAG work and reports regularly back to the team

The effectiveness of this policy will be measured in a variety of ways:

1. Feedback from stakeholders through student voice, event or visit evaluations, school surveys, learning walks, observations.
2. Feedback from external visitors to the school such as Ofsted;
3. Using the Gatsby Benchmarks (Unifrog) and the Compass Audit system.
4. The number of students who are NEET in October having left the school in the previous summer. This figure can be compared to national figures as well as against the equivalent figure from similar schools both nationally and within the county.

The governors of St John Fisher Catholic High School will review this policy every three years.
