St John Fisher
Catholic High School

We are seeking a strong, inspirational, highly skilled individual who will already be an experienced Behaviour Manager at senior or middle leadership level with a background of outstanding pastoral work.

You will have the skills, energy, drive and ambition to enable students to reach their full potential regardless of their background or barriers to learning.

The successful candidate will be responsible for Behaviour across the school and will lead a strong Pastoral team.

We expect that you will already have some experience of leading behaviour systems and attendance at a middle or senior level and will be looking to take on a more challenging role to really make a difference to the life chances of young people.

This position will suit a current or aspiring senior leader who has experience as an Assistant Headteacher Head of Year or Head of House and is able to demonstrate and evidence the skills and attributes needed for this role.
