

## Lent – Trust

*'The Lord is my strength and my shield.  
In God my heart trusts' (Psalm 28:7)*

The theme across school this week has been Trust. Students have been reflecting on Lent as a time of renewal whilst thinking about how we need to put our trust in God more. Lent is the 40 days leading up to Easter when we try to listen to God's will and reflect on how we can use the gifts God has given us all.

## Parents Evening

Next Tuesday is Parents evening for years 11 and 13. This will be an opportunity to discuss the results of the PPE exams and to discuss with teachers plans for the next 3 months in the run up to the public exams. Each subject will have individual revision advice because every subject is different and so please try to see all of your child's teachers. There are, of course some general revision techniques that cover every subject which students are learning about and putting into practice. To support your child in the run up to the exams please ensure students eat well and get enough sleep and have a revision timetable that they use to keep themselves organised. Students should be revising at home now in the evenings and at weekends and need to be attending school every day. This can become a stressful time for students as I know you are aware so being there to listen to students when they need to offload is just as important as eating well. If your child is struggling with stress please contact us at school as we can help with this.

## Holy Week

The Chrism Mass will be celebrated in Holy Week by our new Bishop Peter Collins, at the Cathedral of St John the Baptist, Norwich -  
Tuesday 4th April 2023 at 11.30am.

Bishop Peter will consecrate the sacred oils used in the sacraments of Baptism, Confirmation, Anointing of the Sick, and Holy Orders. Each parish receives its annual supply at the Chrism Mass.

The Chrism Mass is a beautiful celebration of unity and although it will take place during the school Easter Holiday please know that our students are invited to attend with their families. For further details please go to the website - Catholic Cathedral of St John the Baptist, Norwich.

## Eco-Warriors

Last Thursday, the Eco Warriors had the opportunity to attend a conference held by Peterborough Environment City Trust (PECT) and Blueprint. We heard about their international plans, working with Britain and France, to move the world into a

circular economy (an economy focused on reducing their use and manufacturing of new materials). They also shared their local 'Bring it Back' project our school and businesses across Peterborough are taking part in. This project is intensifying the use of eco-friendly reusable food/drink containers. It was an amazing and inspiring experience to talk and listen to the environmental action happening across the world and Peterborough.

## YDP News

YDP played One Touch in the local Peterborough derby on Wednesday with a 2-1 win. YDP dominated the majority of the game and limited their opponent to any chances. The score could have been a lot more comfortable with more ruthlessness. Also on Wednesday YDP (who are top of the league), played Pro Direct (who are second in the league), for the home title. Despite being behind and with 30 minutes to play YDP won 4-2. We now need just 1 more point to secure the league title for a second season in a row. A fantastic result and deserved win for all the YDP Scholars.
