

Feast of St John Fisher and St Thomas More

The Church celebrated the feast day St John Fisher, our patron saint and St Thomas More this week. The two saints share a connection in that they were in prison in the Tower of London at the same time. It is no coincidence that we share a site with St Thomas More school. Our school celebrations will take place on St John Fisher Day at the end of term as usual with Liturgy and a school barbeque.

Sixth Form Induction Day

Yesterday we held our Year 12 Induction Day. It was a pleasure to welcome such a large number of future students into our Sixth Form. Students took part in a variety of lessons suited to their own interests and pathways and experienced life as a Sixth former. Thank you to Mrs Helcoop and Ms Ahmed for leading the day and for all staff who led sessions.

Year 7 & 12 Parents Evening

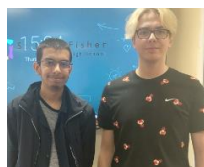

Please note that Parents evening will now take place on 11 July. We had to postpone the evening at short notice because of the Ofsted Inspection. This was to give staff time to get ready for the inspection to support their workload and wellbeing, which I know you support. Thank you for your understanding. As I said in last week's newsletter, thank you for your continued support of the school.

Alumni Visits

On Thursday 15 June, we had the privilege of welcoming back two of our past students. Kazim and Roberto have just completed their first year at university and came to speak to the Year 12 IT students about their experiences. Roberto is studying Game Design and Kazim is studying Computer Science. They shared details about their courses and showed examples of the work that they have

completed to show Year 12 the standard of work and variety of topics that are studied. They also shared their experiences of going to university, how they made the decisions of the universities to go to and the importance of planning time in order to complete work and meet all deadlines. Year 12 were shocked to hear how late submission has impacts on final grades! It was wonderful to see Kazim and Roberto again and their advice was inspiring to Year 12. We are looking forward to seeing them again soon.

On Friday 30 June Cambridge House will host their annual Blue Day where we raise money for our house charities Water Aid and The Cambridge

Nazareth trust. To do this we will be selling various things at both break and lunchtime to try and raise some money for these fantastic Charities. Also, there will be a non-uniform day where students can buy tickets to come in their own clothes, students will still be expected to come to school equipped with what they will need on the day including their bags and books for their lessons.
