Catholic High School

Chaplaincy Ambassadors

Terms of Reference (why we meet)

Jesus said, 'I have come that they may have life and have it to the full'
John 10:10

1. The Chaplaincy Ambassadors are group of volunteers from different year groups.

2. We meet twice a week: on a Monday lunchtime to discuss scripture and Tuesday lunchtime to discuss leadership and planning for Prayer and Liturgy, including prayer writing, readers, and other ministries such as alter servers.

3. The aim of the Chaplaincy Ambassadors is to be a safe place where people come together to support and respect one another, deepen our faith and come closer to God. We live out our School Mission and values of: faith, love, unity, celebration and growth. We gather to discuss our ideas, listen to one another and be disciples of God. To be with friends and make new friends.

4. We have different opportunities to represent the school at Diocesan events and other School events and meetings. To be kind and respectful in school and when we are not on the school site.

5. The meetings are informal, however notes are kept each week of the readers, formation and upcoming events. The planning and leadership meetings are minuted by students.

6. As part of formation, the students volunteer to read for Tuesday Mass in the chapel and for other Celebrations of the Word.

7. We support the school charity events.
