Theme: Stewardship

We have been reflecting on the theme of stewardship in our assemblies and thoughts this week. Care for Creation is a key strand of the social teaching of the Church and is found within most world religions. Students feel strongly about this very important teaching and try to put responsible stewardship into practice every day on many levels from recycling, putting litter in bins to being an Eco Warrior and advocating for change and action. Our Caritas Ambassadors are very active in promoting this important work and have secured changes in school already in terms of the types of bins we use to separate rubbish. Stewardship is taught across the curriculum and in detail within RE lessons. Well done to all leading assemblies this week.

'Creation is a gift, it is a wonderful gift that God has given us, so that we care for it, and we use it for the benefit of all'
(Pope Francis Laudato Si)

Kate Pereira, Headteacher

Year 10 Work Experience

Our Year 10s are currently on their two week Work Placements. Being active in the world of work is such an important experience for all young people to have and we wish them all the best of luck during this time. Thanks to Mrs Reeve and Mrs Maudsley for their leadership in organising the placements and preparing the students.

Loughborough Lightning

A fantastic opportunity for a group of our students to visit Loughborough University with their netball team. Loughborough Lightning happened today, it was a great day and enjoyed by all.

Mrs Wilmore, Senior Deputy Headteacher

Academic Tutoring

Year 12

2 June – 13 June 2025

Prom Year 11

Year 11 Prom will be on Friday 20 June 2025. Payment for Prom is now available on the School Gateway app, price is £10.00. Dress to impress.

Come and celebrate with Food, Dancing and Awards.

Mrs Reid, Student Support Officer

Food Technology Lessons

Our students make some delicious food in their Food Technology lessons, but often forget to bring a container to take it home in. This often leads to wasted food and also families not being able to enjoy some lovely treats. Please can you ensure that your child brings a container to carry the food home in when they have a practical lesson. Also, if you have any spare plastics boxes with lids, i.e Chocolate tubs, Tupperware boxes, Chinese plastic containers etc, please can you send them in with your child, these can be dropped off at the Food Room or the Technology Office. Thank you for your continued support.

Miss Griffin, Head of Faculty

Future Events	
3- 13 June	Year 10 Work Experience
