

Theme: Celebrate

We have seen a lot of Joy this week at school and there has been much to celebrate! We have held various activities and trips and students have been able to show their talents well. We also held our termly celebration assemblies for each House. Congratulations to all students who received certificates and prizes. In addition, we held the Sports Presentation evening last night which celebrated effort and talent in Sport. Thank to all involved in preparing these. Tonight, we have our summer Fayre too which we hope will run well. Again, thank you to everybody involved in planning and preparing this, especially our students and staff.

Drama Success

It was with great joy that we watched the drama department perform 'The Three Musketeers' with the school band supporting them last Thursday and Friday. The students were absolutely fantastic. The Year 10 Drama group also performed in a production of King Lear alongside other schools in the area with training from members of the Royal Shakespeare Company. Huge congratulations to Mr Chappell and all those involved in both these events.

Academic Success

More congratulations to the Brilliant Club Year 7's who graduated this week. There were some exceptional outcomes which were celebrated at the University of Cambridge.

Visits

This week, Year 8 visited Hunstanton as part of the Geography curriculum and Year 12 and 10 visited the Fitzwilliam Museum as part of their studies in Art. Year 12 YDP went Kayaking and Year 10 Triple Science students had the opportunity to meet with an ex-student regarding Veterinary Study at University.

Awards

Congratulations to all students who have won awards for their attendance, effort or attainment in the House assemblies or at the Expressive Arts Presentation Evening on Thursday.

Activities Day

On Wednesday 16 July students in Years 7-10 will be participating in our Annual Activities Day. In the event of there being a heatwave on this day we strongly advise that all students ensure that they bring a hat, sun cream and have a bottle of water to keep themselves hydrated. This is particularly important for those students who will be going on a trip. Students participating in the following activities will be expected to wear school uniform as usual:

- The Great SJF Bake Off
- Harry Potter Day
- Beauty Workshop
- Embroidery / Cross Stitch
- Showcase Cinema
- Banham Zoo
- Study Centre Activities
- Carousel Activities

Students going to Inflata Nation need to come to school in their SJF PE kit. For those students on trips to Ferry Meadows, Alton Towers, Bletchley Park need to wear comfortable shoes for walking and may wear comfortable but appropriate clothing. Students who are participating in the SJF Crack the Code & Water Games activity need to wear sensible shoes and comfortable clothing, but will need to bring a change of clothing and footwear as they will get wet!

Sports Day

Thursday 17 July is our annual Sports Day. All students will be taking part in the sports with their form group. This is a fantastic day for students to come together and compete for their house. The competition for the St John Fisher School Cup is hotly contested between the four houses and whichever house wins Sports Day may well decide the outcome of the school cup. Last year's Sports Day winners were Cambridge and they are keen to win again this year. But this will not be easy as Westminster, Beverley and Rochester are highly competitive. On the day students need to bring water, hats and suncream as the forecast is looking like it is going to be warm.

Students are to wear their full SJF PE kit or shirts that represent their house colours.

Future Events	
16 July	Activities Day
17 July	Sports Day
18 July	St John Fisher Day. End of term, school closes at 2pm.

Deaf Hub

On Tuesday 8 July, the Deaf Hub hosted a Transition morning for prospective Year 6 students. After ice-breaker activities, students tackled an alternative scavenger

hunt, gathering art materials; sponges, leaves, pencils, pens and vegetables for printing; from around the school. Back in the Hub they used these resources to create a collaborative artwork focused on the house

colours. The vibrant final piece was a valuable bonding experience and will be displayed in the Deaf Hub. Many thanks to all staff who supported the event.
