

Theme: Unconditional Love

Our assemblies and thoughts have centred around love. Gods love is given without conditions attached to it, this type of love is called agape. We have been reflecting on how we can share Gods love this week by putting other people before ourselves and giving of our own time and talents generously to support others and bring hope and joy. An example of this is Rochester yellow day held today.

Celebration of Achievement

Congratulations to all students who received prizes on Tuesday evening. It was a lovely event celebrating a wide variety of talents and service. It was a pleasure to welcome Luis Mendes back to school as our guest speaker.

Lots To Share!

Even though we are heading towards the last few weeks of the academic year, it has been another busy week for SJF. We held our Octathlon Day on Monday with many of our athletes competing in sporting events for their Houses, we also took part in Athletics Day as well as supported St Thomas More with their sports day. Year 7 went on a Geography visit to Ferry Meadows and some of our Year 11s took part in their Silver DofE practice expedition. Alongside all of this, we supported Wellbeing this week with lots of activities, an Ice-Cream Van and Rochester Charity Day.

Celebrations

We also held our annual Celebration of Achievement evening with guest speaker, and alumni, Luis Mendes. It was a wonderful evening with lots of winners and we thank Luis for joining us.

Year 11 Prom

Friday evening saw our Year 11 dressed to impress with smart suits and polished shoes for the boys and sequins and lacey dresses for the girls! With a red carpet, ice-cream, and a photo-booth our students celebrated their end of Year 11 in style! Congratulations Year 11, we know you all had a fabulous night which was well deserved.

Mission Review

In line with the Jubilee year, we started the process of reviewing our School Mission Statement. Thanks to the staff and students involved.

Transition

Some of our new Year 6's joined us for a Treasure Hunt this week ahead of the Year 6 Welcome Evening and Day next week. It is hugely important that all our new students feel safe and happy when they join us in September and we look forward to meeting them all soon.

Sporting Events

Last week we hosted a Primary School Football Competition. This involved 20 primary schools from across Peterborough in the biggest primary competition in the city. Over 160 primary school children demonstrated great skills and sportsmanship to compete for the trophy. Our YDP scholars were great Sports Leaders, leading warm ups, providing drinks, setting up the pitches and officiating all of the games. Well done to all involved on a fantastic event. This week we hosted our Octathlon Day. This is our Athletics Sports Day where students from the different houses compete against each other in 8 different athletics events. There was some fantastic athletics performances with some really close races and events. Some of the highlights included a magnificent race between Efosa and Thomas in the Year 10 100m. Thomas won in a superb time of 12.01 seconds. Isla Staton had a huge jump in the triple jump competition and Flourish threw a massive 30 metres in the javelin. Well done on all the athletes who participated. This was excellent preparation for the City Athletics competitions which take place at the end of this week and next week. The Octathlon Day scores will be revealed at the end of term.
